Primary Care Medical Home

Dr. Samuel J. McCreeedy

A board-certified family medicine physician with extensive experience practicing in diverse clinical settings both in the United States and overseas. He earned his medical degree and completed his residency training at the University of Mississippi Medical Center. Prior to joining U.S. Army Health Center–Vicenza, Dr. McCreeedy practiced medicine in locations including Germany, Tonga, Samoa, China, and Indonesia. He also holds a degree in Veterinary Medicine and practiced as a veterinarian before transitioning to human medicine. His broad background informs a comprehensive and adaptable approach to patient care.

Primary Care Medical Home

Dr. Ryan O'Rourke

A board-certified family medicine physician providing comprehensive primary care for patients of all ages. He earned his undergraduate degree from Binghamton University and his medical degree from the New York Institute of Technology, completing his residency at Womack Army Medical Center. Dr. O'Rourke evaluates and treats both routine and acute conditions and performs procedures including vasectomies, joint injections, skin biopsies, Botox injections for chronic migraines, and implantable contraception placement and removal. He also oversees enlistment medical physicals for individuals seeking to join the military from the Vicenza footprint.

Primary Care Medical Home

Mr. J. Tripper Povar

A board-certified family nurse practitioner providing comprehensive primary care across the lifespan. He earned undergraduate degrees from Northern Arizona University and the University of Miami and completed his Master of Science in Nursing at Grand Canyon University.

Mr. Povar treats a wide range of acute and chronic conditions with a strong focus on preventive care and long-term health optimization. His clinical interests include medical weight loss, where he partners with patients to develop sustainable, individualized strategies for improving metabolic health. He is an active member of the American Association of Nurse Practitioners.

Primary Care Medical Home

Dr. Kyle Rollins

A board-certified pediatrician providing comprehensive care for children from birth through young adulthood. He earned his medical degree from A.T. Still University in Kirksville, Missouri, after completing undergraduate degrees in Biology and Spanish at the University of Utah and completed his pediatric training at Fort Carson and Tripler Army Medical Center. Dr. Rollins has served the Vicenza community since July 2025 and performs in-office procedures including sutures, staples, toenail removals, and infant circumcisions. He is fluent in Spanish and is happy to conduct appointments in Spanish, with interpreter services also available. Dr. Rollins lives in Vicenza with his wife and four children and enjoys traveling and participating in CYS sports.

Primary Care Medical Home

Dr. Sajid Darvesh

A board-certified pediatrician with over three decades of clinical experience. He earned his medical degree in Hyderabad, India, and completed his pediatric residency at Henry Ford Hospital in Detroit, Michigan. Dr. Darvesh has practiced pediatrics since 1995 and has served as a civilian provider in the Army since June 2015. He provides well-childcare and acute care for pediatric patients and may see young adults up to age 23 for acute concerns. In his free time, he enjoys traveling, hiking, and playing chess.

Primary Care Medical Home

Dr. Eda Chen

A board-certified family medicine physician serving as Officer in Charge (OIC) and primary care provider in the Primary Care Clinic at U.S. Army Health Center–Vicenza. She earned her undergraduate degree from the University of Pittsburgh and her medical degree from the Virginia Commonwealth University School of Medicine, completing her Family Medicine residency at Dwight D. Eisenhower Army Medical Center. Dr. Chen provides comprehensive care to patients of all ages and performs a wide range of in-office procedures, including contraceptive implant and IUD placement and removal, joint injections, toenail removals, and circumcisions. In her free time, she enjoys reading and exploring culture through cuisine, particularly desserts. She looks forward to traveling throughout Italy and Europe and hopes to learn Italian during her time in Vicenza.

Primary Care Medical Home

Dr. Juan E. Quinones

A licensed clinical psychologist and certified Battlefield Acupuncture provider practicing within a Primary Care Behavioral Health model. He earned his APA-accredited doctorate in Clinical Psychology from Ponce Health Sciences University and completed an APA-accredited postdoctoral residency at Michigan State University. Dr. Quinones has worked in tertiary hospitals, primary care clinics, and federal healthcare systems, including Walter Reed National Military Medical Center and the Pentagon Health Clinic. His clinical focus includes evidence-based, short-term interventions for chronic pain, sleep disorders, diabetes, cancer, and complex psychosocial concerns. He emphasizes collaborative, integrated care within the primary care setting.

Primary Care Medical Home

Dr. Prudence Hofmann

A board-certified ambulatory care clinical pharmacist with over 15 years of experience. She earned her Doctor of Pharmacy degree from the University of Texas at Austin and completed two years of postgraduate residency training specializing in geriatric pharmacy with the South Texas Veterans Health Care System. Dr. Hofmann focuses on diabetes management, cardiovascular disease, and medication optimization. Appointments with Dr. Hofmann may be scheduled for medication reviews, chronic disease management, diabetes education, and assistance with improving medication safety and effectiveness. She is passionate about empowering patients to understand their medications and achieve their health goals.
